Dear Sirs:

Re: Planned July Meetings by the IJC Regarding the 1921 Order

We understand that the International Joint Commission (IJC) is planning to hold public meetings in Saskatchewan, Alberta and Montana near the end of July, to hear views on the possibility of the IJC opening for review the 1921 Order of the St. Mary and Milk Rivers.

I wish to advise that the Government of the Province of Saskatchewan would like to make a presentation at the meeting planned for Eastend, Saskatchewan. As we have indicated in previous correspondence, we are opposed to opening the Order up for review and our presentation will provide details and justification for our position.

An official with the Saskatchewan Watershed Authority will be in attendance to register and make the presentation on behalf of the province. We will be submitting a written brief after the conclusion of the public meetings.

We appreciate the opportunity to provide our views to the IJC at a meeting in Saskatchewan and look forward to this matter being resolved as soon as possible.

Sincerely,

Stuart Kramer
President
Saskatchewan Watershed Authority
